Carl was born August 12, 1913 near Arnegard, ND in the homestead house of his parents, Gustav Henry Schultz and Lydia Dumdai Schultz. He was baptized and confirmed in the Wilmington Lutheran Church in Arnegard where he served as usher for many years and was vice-president of the Arnegard Lutheran Brotherhood.

After graduating from Arnegard High School in 1941, he farmed with his father. He married Arlene Hagen in 1943. In 1947, he established a farmstead across the road from his parents’ home. He was a finish carpenter and built his own home there and began a farm/ranch operation.

Carl was always proud that he had hauled the first load of wheat to the Arnegard Elevator on his twelfth birthday, using his father’s black half-Percheron team. On the same day fifty years later, he hauled a load of wheat to the same elevator. At nineteen, he was the engineer for the Bjorgemoen threshing rig. He also butchered cattle for the Johns Bros. Store in Arnegard and worked during potato harvest for the Arnegard family. In the 1940’s during the winter, he was the weigh master at the Leiseth coalmine.

Carl’s interest in purebred animals led him to raise registered Hereford, Charolais and Brown Swiss cattle and Landrace hogs. He raised cattle until 2003. He owned the first Quarter horse in Mckenzie County, of Steeldust breeding from Texas. He loved horses and broke many for riding and driving.

He served as president and district director for the North Dakota Brown Swiss Cattle Breeders Association and organized the western canton. Carl was president of Fifty Year in the Saddle, and director on the sire selection committee for American Breeders. He was a member of the National Waterfowl Association, 4-H leader for ten years and vice-president of the county 4-H council. He represented the ND Brown Swiss breeders at the National Dairy Cattle Congress at Waterloo, Iowa and showed stock at the ND State Dairy Show and ND State Fair.

He was an avid hunter, making several trips to Wyoming to hunt elk and to British Columbia, CA to hunt moose. His hobby was raising purebred poultry. He had imported breeding stock that had been shown in Boston, MA poultry shows.

Carl had a phenomenal memory dating back to age four, recalling local history. He had written a series of memoirs which he hoped to have had published. He played both the guitar and accordion and enjoyed listening and dancing to old-time music, reading western history and reminiscing about old times with friends.

Carl is survived by his daughter, Renny (Gary) Hagen, of Arnegard, ND, two granddaughters; Valerie and Allison Hagen, two sister-in-laws, Thelma and Ethel Schultz and numerous nieces and nephews.

His parents, one sister, Helen Hathaway and two brothers, Martin and Adolph, preceded him in death.

Fill not your hearts with pain and sorrow, but remember me in every tommorrow.
Remember the joy, the laughter, the smiles, I’ve only gone to rest a little while.
Although my leaving causes pain and grief, my going has eased my heart & given me relief.
So dry your eyes and remember me, not as I am now, but as I used to be.
Because, I will remember you all, and look on with a smile.
Understand, in your hearts, I’ve only gone to rest for a little while.
As long as I have the love of each of you, I can live my life in the hearts of all of you.
