

In Loving Memory Of

Jamie Allan Dore was born February 6, 1972 to Carmen R. (Castro) Dore and was adopted by Jack J. Dore upon his parent's marriage. After his parents' death in 1986 while living in Alaska he and his siblings returned home to Fairview, ND to live with their grandparents Pedro and Jesusita Castro. Although he had returned home without his parents he was welcomed into his grandparents' house and was surrounded by a multitude of aunts, uncles, and many many cousins. He attended school in Fairview and acquired many friends there. After leaving his grandparent's house to make his way in the world he met Nancy Reiger who had two young children, Matthew and Casey and they soon became parents to their first son, Logan. Within a few years their next son Malcom came along and Jamie could not be happier. A few years later, Lexi Shay came along and made both Jamie and Nancy so happy for finally getting a little girl.

Jamie held various jobs while living in the Williston area and through these jobs acquired many friendships. Jamie enjoyed fishing and just being in the outdoors. He was also a huge fan of Nascar and would often watch the race to see where the 'Blue Duece' with driver Rusty Wallace had finished. He loved the rock band AC/DC and to him the music never got old only better. He was a true fan and more likely a fanatic of their music. He often would just go fishing and end up spending all day doing just that. He had a soft spot for animals and throughout the years had a various array of pets that his big heart was unable to turn away from. Dogs, cats, fish, rabbits, and even a baby squirrel that had fallen out of a tree that he just had to take home to help nurse it back to health. He enjoyed being surrounded with friends and family and you could often find him in a large crowd of people just by listening for his very distinctive laugh. He always had a joke to tell or more often than not, quite a few. Especially if he hadn't seen you in awhile and if not a joke then one heck of a fish story. Although he was really good at joking around and telling jokes and stories in such a way that pulled you in made you listen right up until the punch line (even if you'd already heard it) the one subject that brought an immediate shine to his eyes was his children. He loved his children so very much and often looked at them to be the ultimate measure of accomplishment in his life. There wasn't anything he wouldn't do for his children.

Jamie spent the past few years working for various companies that required him to travel to different states. Although he enjoyed the opportunity to travel and see a little bit of the world he was always ready to get home to see his kids. Although he will be dearly missed by so many more people than he ever realized, we all know in our hearts that Jamie will, in the words of one of his favorite songs, "Ride On".

Jamie Allan Dore, 37 of Williston, ND has joined his mother Carmen with the Lord in heaven this past Sunday May 24, 2009.

Jamie Dore

'God saw he was getting tired,
and a cure was not to be,
So He put his arms around him
and whispered, "Come with Me,"
With tearful eyes, we watched
him suffer and saw him fade away
Although we loved him dearly,
we could not make him stay.
His golden heart stopped beating,
hard working hands to rest.
God broke our hearts to prove to us
He only takes the best.'
