*A rose once grew where all could see,  
sheltered beside a garden wall,  
And, as the days passed swiftly by,  
it spread its branches, straight and tall...*

*One day, a beam of light shone through  
a crevice that had open wide --  
The rose bent gently toward its warmth  
then passed beyond to the other side...*

*Now, you who deeply feel its loss,  
be comforted--the rose blooms there--  
Its beauty even greater now,  
nurtured by God's own loving care.*
