

Biker angel be my guide
As I climb upon my scoot to ride
Let your halo light the way
And keep me safe from harm today
Let your wings provide me
wind and air
And send it coursing through
my hair
Find me a peaceful sunny place
And let it shine upon my face
Keep the clouds and rain at bay
And keep me dry throughout
the day
Watch over my brothers who
ride with me
Keep them safe and close to thee
Keep my wheels upon the ground
So I'll return here safe and sound
But should disaster be my fate
Guide me through to Heaven's gate
If I must join my fallen brethren
Please show me the way to
Biker Heaven
I'll be waiting
(aka Stella)

Daniel James Miller was born in Rugby, ND on December 8, 1972 to Richard J. Miller and Denise D. (Berg) Miller. Dan was delivered by Dr. Fox, the same doctor that delivered his father. Dan was the oldest of three children. He has two sisters Kayla and Tonya.

Dan was raised on his grandparents', Pete and Marion Millers' farm in Towner, ND where he attended grade school before moving to Sidney. Dan graduated from Sidney High School in 1991 and then went on to Wyoming Tech Institute in Laramie, WY to study automotive technician. Following his graduation in 1992 he moved to Minot, ND and worked at Chrysler as a mechanic. During this time his son Kendahl (fondly called "Meathead" by his dad) was born in 1993. He started working with his father at Anchor Drilling Fluids with a few of his many partners in crime, all the while terrorizing Richard.

Dan had a few other truck driving jobs and during this time he met the love of his life Robin, marrying in 2002. From this union four beautiful children were born, Coltin, Prestin, Cristin, and Braydin. Dan started his own business, Dan Miller

Trucking, after buying his first prized possession, his Peterbilt, in 2008.

Dan loved to have a good time. Whether it is watching his children compete in rodeo, basketball, driving and working on his truck, riding his Harley with his son and friends or hot wiring seats and pulling numerous other practical jokes.

Dan had a big heart, a bit-eating grin, he was loyal and he always took the time to help anyone at anytime and anywhere.

Dan died on Saturday evening, March 18, 2017, at the Sidney Health Center ER, of injuries received in a motorcycle accident.

Dan is survived by his wife, Robin, Fairview, MT; his children, Kendahl, Coltin, Prestin, Cristin, and Braydin all of Fairview, MT; his parents, Richard J. (Josie) Miller, Towner, ND and Denise D. Miller, Sidney, MT; grandparents, Pete and Marion Miller, Towner, ND; sisters, Kayla Miller Otis Spearfish, SD and Tonya Miller, Sidney, MT; numerous nieces, nephews and cousins; and an unending list of extended family and friends.
