"When I Must Leave You"

*I must leave you
for a little while
For my sake and in my name
Live on and do all things the same,
Feed not your loneliness
on empty days,
But fill each waking hour
in useful ways,
Reach out your hand
in comfort and in cheer
And I in turn will comfort you
and hold you near;
And never, never
be afraid to die,
For I am waiting for you
in the sky!*
