

An Admirable Man

*If a man is honest with others
and with himself...*

If he receives gratefully and gives quietly...

*If he is gentle enough to feel
and strong enough to show his feelings...*

*If he is slow to see the faults of others
but quick to discover their goodness...*

*If he is cheerful in difficult times
and modest in success...*

If he does his best to be true to his beliefs...

Then he is truly an admirable man.
