

a true fisherman  
 knows when and where  
 the fish are biting.  
 He rises up early in the morning,  
 plying the water for that  
*elusive catch,*  
 waiting in the stillness for a nibble  
 A slight twitch in the line,  
 expertly he reels it in –  
 A good fisherman  
 knows a keeper when he sees one,  
 he knows when to toss one back,  
 and when to **head for home.**
