**In Loving Memory Of
Tyler Anthony Giddens
June 22, 1992 - August 2, 2017**

God grant me the serenity
to accept the things I cannot change;
courage to change the things I can;
and wisdom to know the difference.

Living one day at a time;
enjoying one moment at a time;
accepting hardships as the pathway to
peace;
taking, as He did, this sinful world
as it is, not as I would have it;
trusting that He will make all things right
if I surrender to His Will;
that I may be reasonably happy in this life
and supremely happy with Him
forever in the next.
Amen.

Tyler Anthony Giddens, 25, of Williston, ND, passed away, Wednesday, August 2, 2017 at a Williston residence. Tyler was born on June 22, 1992, in Lancaster, California, to Thomas A. Giddens and Jeri L. Giddens.

He grew up with his older sister Ashlie, and the family followed work until they put down roots in the Yucaipa area in Southern California. He and his family built a life and relationships with many people who they consider to be family to this day. After high school and the marriage of Ashlie to Tibor Cser, he, his mom and his best friend David Churella of many years journeyed to the Bakken to be with his dad and start a career in the oil fields. Tyler and David started working for a parts house in town until they found an opportunity with Musket Corp. where they got their first taste of sweet Bakken crude. After a brutal winter and the arrival of Tibor and Ashlie he went to be a rig mover with Black Hills Trucking. There he wore many hats, but the hat he was most proud of was when he became a NCCO certified crane operator. He loved operating equipment and quickly became proficient in whatever they would put him in. He loved turning a wrench, fishing, and lending a helping hand to any friend who needed him. He was a real red blooded patriot and a mountain of a man with a heart to match. He had a love for music that very rarely excluded any genre, and that left his family and close friends with vivid memories of his learning the guitar and drums. His fun loving attitude and booming laugh lit a room and set the tone for many occasions. Tyler is loved and missed dearly by his family and many close friends that he has made over the years.

Tyler is survived by his father and mother, Tom and Jeri Giddens, Williston; his brother and sister, Tibor and Ashlie Cser, Williston; his nephew and niece, Lukas and Olivia Cser, Williston and his numerous friends.

Perhaps they are not
Stars in the *Sky*,
but rather openings
where our loved ones
shine down
to let us know they are
Happy.
