## In Loving Memory Of

***Madison Skye Logsdon***

## ***LITTLE ANGELS***

*When God calls little children  
to dwell with Him above  
We mortals sometimes question  
the wisdom of His love.*

*For no heartache compares with  
the death of one small child  
Who does so much to make our world  
seem wonderful and mild.*

*Perhaps God tires of calling  
the aged to His fold  
So He picks a rosebud  
before it can grow old.*

*God knows how much we need them  
and so He takes a few  
To make the land of heaven  
more beautiful to view.*

*Believing this is difficult  
still somehow we must try  
The saddest word mankind knows  
will always be "Goodbye."*

*So when a little child departs  
we who are left behind  
Must realize God loves children  
Angels are hard to find.*
