When Tomorrow Starts Without Me

*When tomorrow starts without me,
And I'm not there to see;
If the sun should rise and find your eyes
All filled with tears for me;
I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too
So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*

-David Romano

and guided them with his skilled hand."
