A pheasant with a red face and blue neck stands in a field of tall grass. In the background, a utility pole with power lines is visible against a hazy sky.

A True Fisherman

A true fisherman knows when
and where the fish are biting
He rises up early in the
morning, plying the water
for that elusive catch,
waiting in the
stillness for a nibble
A slight twitch in the line,
expertly he reels it in—
A good fisherman knows
a keeper when he sees one,
he knows when to
toss one back, and when
to head for home.
