

Don't grieve for me, for now I'm free
 I'm following the path God laid for me.
 I took His hand when I heard Him call
 I turned my back and left it all I could not stay another day
 To laugh, to love, to work or play
 Tasks left undone must stay that way
 I found that peace at the close of the day
 If my parting has left a void
 Then fill it with remembered *Joy*
 A friendship shared,
 a laugh, a kiss Ah, yes, these things I too will miss
 Be not burdened with times of sorrow
 I wish for you the sunshine of tomorrow
 My life has been full, I've savored much
 Good friends, good times,
a loved one's touch
 Perhaps my time seemed all too brief
 Don't lengthen it now with undue grief
 Lift up your heart and share with me
 God wanted me now, He set me **FREE!**
