Church on the Prairie

*When my spirit begins to weary
and my thoughts become dreary.*

*I drift back in time to my old Church on the Prairie.
Happy times, sad times, family times, friend times.
Always, faithful times.*

*With a shining cross atop her steeple
she beckons me, my old Church on the Prairie.
And when my time has come and my work is done.
I'll go home to my old Church on the Prairie.*

*To see family and friends and share once again.
Happy times, sad times, friend times, family times.
Always, reverent times.*

At our old Church on the Prairie.
