

## A Letter From Heaven

When tomorrow starts without me and I'm not there to see,  
If the *sun should rise* and find your eyes all  
filled with tears for me.  
I wish so much you wouldn't cry the way you did today.  
While I'm thinking of the many things we didn't get to say,  
I know how much you love me,  
as much as I love you,  
and each time you think of me I know you'll miss me too.  
So when tomorrow starts without me, don't think we're far apart,  
for every time you think of me, I'm right here in your HEART.

Initially, I came up here to haul oil -- with one truck. Today, on the Sundhagen Sand & Gravel side, we are a transporter of aggregate material and provide a trucking service. We dispatch, take orders and have a fleet of about 15 gravel trucks. Customers will call us for aggregate into their facility or for reclaiming their topsoil. We also haul drill solids (cuttings). In conjunction with Sundhagen Sand & Gravel, out of this building, we run Hofmann Trucking, LLC, and Crossroads Repair, LLC, transporting crude oil. We provide excellent service on demand to the locals and the oil industry.

What LOCAL means to Larry Lee Hofmann:  
*"Grassroots. In the oil business, this is where it all started. I was born and raised in North Dakota. We've got boots on the ground and we have got some skin in the game."*

Larry Lee Hofmann was born March 19, 1952 to Rudolph and Esther (Reich) Hofmann in Medina, ND. He passed away on July 27, 2021 in Minot, ND, due to complications from Covid-19.

Larry grew up on the family farm and went to school in Medina, graduating from Medina High School in 1970. He then attended Business College in Fargo, ND graduating in 1972 with an Associates Degree in Accounting. He was employed as an Office Manager at Country Boy Dairy, he worked as an Office Manager and in sales at the Coca-Cola Bottling Co. In addition to his other jobs he also worked at Westward Products all of which were located in Jamestown.

Larry was a hard worker. He worked for several years for Charles T. Davis Trucking both as a driver and general truck and diesel engine repair.

On July 1st, 1999 Larry, along with Curt Waldie formed Hofmann Trucking, LLC which they grew and expanded the company to include two locations in North Dakota and Douglas, Wyoming.

Larry enjoyed all types of sports, both as a spectator and participant. In his younger years he played Men's Slowpitch Softball, and belonged to various leagues, including basketball, Volleyball and Bowling. Larry was a collector of many types of memorabilia, most notably, anything with a John Deere Logo. Recently, he became interested in woodworking.

Though Larry left the farm after high school, he kept working hard throughout his life. He didn't wait for things to happen-he made them happen. He didn't want himself or those around him to fall into a "comfort zone." He was always striving to move forward in whatever endeavor he attempted.

He married Gerry Tabatt in Jamestown, on October 25, 1975. In 2008, Larry left Jamestown and married Vel Gallagher in 2010. They resided in Tioga ND.

Larry is survived by his wife, Vel; brothers, Reinie and Gordon of Minnesota; sister, Shirley of Connecticut; uncle, Harry Ruff of Streeter; along with many cousins, two nieces and three nephews. He was preceded in death by his parents, maternal and paternal grandparents and many aunts and uncles.
