

GOD looked around the garden,
And found an empty space.

He looked down upon the earth,
And saw your tired face. He put

His arms around you

And lifted you to rest.
God's garden must be beautiful

For He only takes the **BEST.**

He knew that you were weary,
and He knew that you were in pain.

He knew that you would never
be well on earth again.

He saw the roads were getting rough,
and the hills were hard to climb.

So He closed your weary eyelids,
and whispered

Peace be Shine.

Amazing Grace!

How sweet the sound-
That saved a wretch like me!

I once was lost
but now am

Found,
Was blind
but now I see.

Lola Mildred Price Christensen

Generous, loving, and compassionate, Lola, age 88, faithfully prayed for God to take away her earthly pain. Her prayers were answered as she peacefully passed into God's arms at home on November 17, 2021.

She was preceded in death by her parents, Winston and Jeanette Price; three brothers, William, Vincent, and Floyd Price; sister, Joan Price Mendro; son, Todd Stoner, and grandson, William Eugene Abbott. She leaves behind her husband of 52+ years, Bill Christensen; sister, Jean Price Thirud; brother, Paul Price, son Steve Stoner (Butte, MT); and daughters Rae Olson (Williston), Jan Stoner (Williston), Pamela Abbott (Phoenix, AZ), and Laurene Christensen (Inver Grove Heights, MN). She also leaves a legacy of 12 grandchildren, 17 great grandchildren, and 1 great-great grandchild.

Lola's love language was giving. While she was rarely caught smiling in any photographs, she always had smiles and hugs to share. She was happiest when she was making and giving something to someone else and especially delighted in gifts made with children in mind. She hated being recognized or honored for her generosity. Some of her expressions of love included flower bouquets and produce from her beautiful summer gardens; canning jams, jellies, and applesauce for local day care centers and the church pantry; and sewing – always sewing. She said any day she could sit behind her sewing machine and sew was a good day! She made hundreds of pillowcases for Shriners' Children in Minneapolis; a charity dear to her heart because they gave so generously to one of her granddaughters. Every family member, as well as friends adopted by Lola as family, owns a prayer quilt made by her especially for them. Lola also made and donated dozens of quilts to local causes whose missions are to give comfort during tough times. Also among her sewing talents are many banners made especially for special celebrations for Gloria Dei and Faith.

In lieu of flowers, Lola asked that you carry on her mission by donating peanut butter and jelly to a church pantry – hers or yours!
