

Do not stand at my grave and weep,
 I am a *thousand winds* that blow,
 I am the diamond glint on snow.
 I am the sunlight on ripened grain.
 I am the gentle autumn rain.
 When you wake in the morning hush;
 I am the swift uplifting rush
 Of quiet birds in circling flight.
 I am the *soft starlight* at night.
 Do not stand at my grave and cry.
 I am not there, I did not die.
