**Brianne Anderson**

*August 23, 1990 ~ March 23, 2023*

Brianne Marie Beasley Anderson was born August 23<sup>rd</sup>, 1990, in Caldwell, Idaho to Brian and LeeAnn. She entered our world with a bang, two minutes ahead of her twin sister. Growing up around Caldwell she went to school in the Vallivue School District. Excelling in music from an early age, there wasn't an instrument that she couldn't pick up and master. She loved all kinds of music and we so enjoyed her sitting and playing the piano, flute or piccolo all while we went about our business. Her passion was spread out with basketball, softball, cheerleading, marching band and FFA. Always on the go, she was busy with friends and family. Brianne was one of 8 children and so loved by her family. She helped her mom in business, catering parties and events, which was later turned into a full-time company.

After graduating from Shields Valley High School, Montana in 2008, she gave birth to Hannah. She was overjoyed to have such a star. A year later came Parker. It wasn't until 2017 that she gave birth to her "mini me", Kalynn. Her children were her everything. She fought hard and worked just as hard for them.

Once coming to Watford City, ND to be closer to her brothers and parents she excelled even more. Brianne and her mother became a powerhouse of energy moving business forward. No challenge was too big or job too small. Brianne has left her graphic design all over Watford City and many social media outlets. In 2021 Bri was instrumental in the startup of "Dogs on the Deck" at the Long X Liquor Store.

Brianne had a personality that lit up any room. She was the life of the party all the time. Her laugh was contagious, her personality was vibrant. There wasn't a person around that wasn't drawn into being her friend. She performed numerous selfless acts over the years giving to others.

Her life was taken far too soon. We are devastated but we know our beautiful girl is in the hands of our lord.

A fund has been set up at 1<sup>st</sup> International Bank to assist the family with these unexpected costs.

**Our job is not to sell people on loving us.  
It's to be loved for simply existing as the  
spectacular human we were born as, and  
to give that same kind of love back.**
