

*An angel lived among us,  
A gift from God above.*

*She showered us with kindness  
And shared with us her love.*

*She cherished every moment  
With the man who was her life;*

*Walking hand in hand together,  
Facing life with all its strife.*

*She loved her children dearly,  
Each one a different way,*

*Nestled close within her heart;  
Though now, she's far away.*

*She's gone to live with Jesus,  
But, she's here with us today.*

*Smiling down on every one of us  
and telling us she's okay.*

Aone Lois Dobias Wedel was born to William and Lillian (Johnson) Dobias at Mercy Hospital in Williston, ND on June 11, 1943. As a child, she attended Sioux Crossing Grade School in Cartwright, ND. She graduated from Fairview High School with the class of 1961.

Aone worked at Community Memorial Hospital in Sidney, MT until moving to Billings where she had secretarial/office manager jobs for Dun & Bradstreet, Glens Falls Insurance and Continental Emsco.

Soon after, she met the love of her life Dick Wedel and his daughter Kathie. They got married November 1, 1969 and their life of adventure began. Dick adopted Aleta and Kirk and they raised their three children together. Dick having a career in the Air Force created many moves - - Utah, California, Taiwan, and Texas.

After retirement from active duty, the family moved to Missoula where Aone worked as the Executive Secretary for Dr. Herman Walters at the University of Montana's Psychology Clinic. They lived in Missoula until their children graduated from Sentinel High School. Dick and Aone then moved to South Dakota. Then back to Aone's family farm in North Dakota in

1983 where they worked together on the land. To escape the brutal winters that North Dakota brings, they traveled to Yuma, Arizona for many years.

Aone loved golfing, dancing, the company of family and friends, community activities, and attending the Episcopal Church.

In 2000, Aone was diagnosed with Multiple Sclerosis. This never dulled her spunky, spit-fire spirit. Together, Dick and Aone took on every new challenge that came with the disease, and just kept going! They never let the diagnosis get in the way of their lives; continuing to travel even after the paralyzation of her legs and one arm. They were, and will forever be, partners and soul mates through and through.

In 2010, Aone and Dick moved back to Missoula, MT to be closer to their daughter Aleta and two of their grandchildren, Alishka and Brianna. Aone's last days were spent at home surrounded by family.

Aone was fiercely loyal to the people she loved. She was the best wife, mother, and grandmother anyone could ask for. She was....

*"A Loyal Companion  
An Excellent Friend  
An Earnest Worker  
And True to the End"*

- Fairview High School Year Book 1961
