

Lord, Here I am.  
 I trust that you have an incredible plan for me.  
 Today I surrender my whole being to your care.  
 I surrender my life, my plans,  
 and my very self to you.  
 I make myself 100 percent  
 available to you today.  
 Transform me. Transform my life.  
 Everything is on the table.  
 Take what you want to take,  
 and give what you want to give.  
 Transform me into the person  
 you created me to be,  
 so I can live the life you envisioned for me  
 at the beginning of time.  
 I hold nothing back.  
 I am 100 percent available.  
 Lead me, challenge me, encourage me,  
 and open my eyes to all  
 your amazing possibilities.  
 Show me what is you want me to do,  
 and I will do it.  
 Amen.

Remembering the Life of

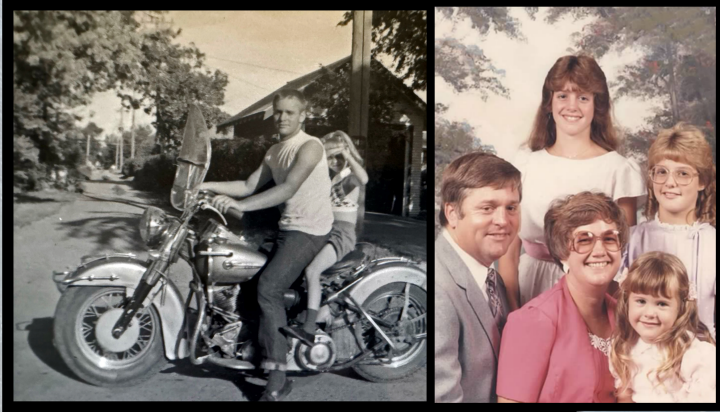

**GENE HUETH**

January 1, 1944 -

March 11, 2025

Gene Hueth was born in Glendive, MT on January 1, 1944, to Louella (Fischer) and Alvin Hueth. It was before prizes were given but he was proud to be the first baby born in the county that year!

The family grew with the addition of his sister, Karla, and they lived on a small farm in Stipek. They moved to Sidney when Gene was in 8th grade. Gene started working at Chad's Furniture in high school. When he wasn't working, you could find him riding his Harley to the local pool hall where he would run the table. He was passionate about auto mechanics from a young age building a dragster from scratch and testing it in quarter-mile races. He was young in the era of muscle cars and owned a green Chevy 409, a super-fast red Mustang, and then came his beloved 1965 blue Bonneville.

As fate would have it, Gene met Arlene as she was beginning her teaching career in Sidney. He continued to work for Chad's Furniture as a flooring craftsman and started his own business selling monuments. It was at this

time that they met many of their lifelong friends. They were married in 1966 in Esmond, ND and welcomed three daughters: Holly, Heidi, and Misti. Gene was often found at Trenton showing the girls how to water ski and teaching many of their friends as well. He enjoyed testing new lures for fishing trips in Canada and hunting with friends.

Gene continued his love of mechanics and was the fix-it-and-flip-it guy when it came to cars. He could be found in the garage building his own Christmas decorations and was known as the Clark Griswold of Sidney, winning many awards for his incredible Christmas displays. He would watch out the window as the cars would line up outside to see his decorations. Gene retired after celebrating his 50th year at Chad's Furniture.

Gene was blessed with eight grandchildren. From attending their sporting events, teaching them how to fish, and playing endless games of Trash, he looked forward to every moment with them. Even though he was diagnosed with Parkinson's and fought it

for more than 25 years, it didn't take the fight out of him. On any particular day you could find him wearing multiple jerseys to cheer on all of the grandchildren playing sports.

Jesus took Gene's hand on March 11, 2025, as he peacefully passed away at home.

He was preceded in death by his mother and father, Louella (Fischer) and Alvin Hueth; and his stepfather Jim Fischer.

Surviving Gene is his wife of 58 years, Arlene; his three daughters, Holly Mischel of McMillan, MI, Heidi (Jay) Garmann of Red Lodge, MT, and Misti (Troy) Petrie of Parker, CO; his sister Karla (Ross) Yates of Minot, ND; and his eight grandchildren Cody Mischel, Messina Garmann, Austin Mischel, Maycee Garmann, Calvin Garmann, Alex Petrie, Ty Mischel, and London Petrie.

Gene will be missed greatly at the family Shanghai table but his practical jokes and stories will never be forgotten.
