

A Trucker's Prayer

*Lord please help me to be safe
as I travel each mile.*

*Let your presence guide me
and bring me a smile.*

*Take care of my family
while I am away.*

*Let them know I miss them
each and every day.*

*Steer me clear of danger
as I cross the country alone.
I put my hands in yours Lord,
Keep me safe, get me home.*

Amen

In Loving Memory Of

Gary D. King

September 15, 1940 - December 31, 2025

Gary Dewane King, age 85, of Sidney, MT, died suddenly on December 31, 2025, at Sidney Health Center after many years battling chronic health conditions.

Gary was born in Wolf Point, MT in 1940 as the second of three sons to Polly (Price) and Verner King. He was raised on their family farm, attending

Grandview Country School until the eighth grade and then graduating from Sidney High School in 1958. In his early years, Gary was very involved with 4-H, belonging to the "Western Funmakers Club" and awaited the excitement of bringing his steers to the Richland County Fair and Rodeo each summer. Gary worked in various truck driving jobs until buying his own in the mid-1980s. He truly enjoyed driving and liked to tell stories about the millions of miles he traveled over those 45+ years of hauling different goods all over the northwestern United States.

After selling his trucks, he looked forward to his daily drive around town and visiting over coffee with friends. He had an affinity for John Deere tractors and was skilled at restoring numerous models over the years. When his mobility didn't allow working in the garage any longer, he spent time dehydrating apples and giving them out to others whether they had finished their last bag or not.

Gary was a complex man who was known for his firm convictions, blunt opinions and uncompromising nature. He faced many hardships in life, and while he may not have always shown it, he cared deeply about his family in his own unique way and was very proud of them.

He is survived by sons, Jason (Patti) King and Justin (Katharine) King; son-in-law, Bert Suko; grandchildren, Cheryl (Brad) Edinger, Shelby Suko, Daniel (Ivy) King, Alia King, Dominique Radke, Ethan and Sara King; great-grandchildren, Titus and Atlas Edinger and Blake King; brother, Aron (Carmen) King; and numerous Price family members.

Gary was preceded in death by his parents, Verner and Polly King; infant son, Kevin; daughters, Jennifer King-Radke and Kim Suko; son, Josh King; and brother, Roger King.

Through his challenges, we learned the importance of patience, forgiveness and the value of seeing different perspectives. May he finally find the peace he sought throughout his life.

Gary's family would like to thank the healthcare professionals of Sidney Health Center and McKenzie Health who have cared for him during recent years.
